Box 1600 Winkler R6W 4B5

2014 TAXES DUE THURSDAY, OCTOBER 30TH, 2014

If you have any questions relating to your statement please refer to our website for a detailed explanation of a property tax bill or call the Administration Office.

If you have sold a property in the past year and received a statement in error, please forward it to the new owner. Contact your lawyer to confirm which party is responsible for payment as the statement is mailed to the owner on file as of the mailing date.

Payment options include cash, cheque, debit, or online through your banking institution.

WE NOW OFFER A TAX INSTALLMENT PAYMENT PLAN for those residents who would like to pay their property taxes via pre-authorized payments. Please call the Admin Office for more information or to set up your account.

An interest penalty of 0.83% per month will be applied to all over-due accounts not received in the administration office before the due date—**Thursday, OCTOBER 30th, 2014.**

ENBRIDGE would like to remind anyone living along the pipeline to “Call or Click” before you dig. It is important for residents to get clearance when digging near the pipeline, much like Hydro. Visit www.clickbeforeyoudigmb.com or call 1-800-940-3447.

Logging on to the website or calling the toll free number will notify ALL utility companies of the project and receive locates if necessary. You may also contact Enbridge directly at 204-327-5348.

2014 MUNICIPAL ELECTION

OCTOBER 22, 2014

Stanley Voters will exercise their democratic right and elect the new Council for the next 4 year term on October 22, 2014.

PUBLIC WORKS DEPARTMENT

As winter approaches we would like to remind residents of several issues and ask for your cooperation in making this coming winter a safe one.

* Fences within 15 feet of the road edge must be moved before winter. * Snow from driveways must be kept on private property and is not to be pushed across roadways. * Bales, dirt piles, equipment and the like should be stored well away from the Right of Way to avoid snow from drifting across roadways.

If you have given the municipality permission in previous years to do snow ridging but would not like us on your property this year, please call the public works department.

Contact our survey department if you plan on any undertaking any 2015 drainage projects on private property. Staff can assist you with the drainage license process with MB Water Stewardship.

Visit our website at www.rmofstanley.ca for information on future meetings, bulletins, and newsletters.

Sign up on our website to receive important municipal notices via email such as road closures, water outages, etc.
