STAY INFORMED !

Have you visited www.rmofstanley.ca lately?

Our website contains a wealth of information related to living in the Municipality and is updated on a regular basis.

Receive important information, (ie. road closures, water outages) and other updates by email from the RM of Stanley by signing up for email alerts at www.rmofstanley.ca.

BUILDING PERMITS

Before you begin your building project this summer be sure to contact the MSTW Planning District for building regulations and to obtain a building permit.

For permit information or for a building inspector please call MSTW Planning District at (204) 822-6223.

Public Works Department

The RM of Stanley would like to welcome John Badgley as our new Public Works Supervisor.

The Public Works Department has had a challenging spring and is busy repairing roads and drainage in various areas of The Municipality in addition to the regular gravelling, grading & ditching program. For the safety of everyone, we ask that motorists slow down and exhibit caution when approaching municipal crews and equipment.

For concerns or inquiries regarding public works please contact the administration office.

RECYCLING

Residents are encouraged to recycle. Recyclable materials such as paper, cardboard, glass, tin, plastics and aluminum can be dropped off at Gateway Resources in Winkler and at Pembina Valley Containers in Morden Free of Charge.

Open burning (burn barrels, open pits) of garbage is harmful to your health and to your community. Open burning releases a hazardous mixture of cancer-causing compounds and other toxic substances. Please consider this before you burn.

CLER Rebate Program

Did you know that residents of the RM of Stanley are eligible for in-store cash incentives on certain energy-efficient improvements to their home or workplace? Programmable thermostats, Eco shower heads, compost boxes, outdoor rotary wash lines and low flush toilets are only some of the items eligible. The rebate program is running until September 2011 or until supplies last. Visit www.rmofstanley.ca and click the [CLER Rebate Program](#) link for a list of participating businesses and to receive more information on the program.

Newsletters are available at www.rmofstanley.ca and at the Administration Office in Morden.
